

Greek Cross and Squares

Use the four blue, odd-shaped tiles to make a Greek Cross A.

After you have done this, use them to make the square B.

Patterns and Relations (Patterns)

Use patterns to describe the world and to solve problems.

Shape and Space (Measurement)

Describe and compare everyday phenomena, using either direct or indirect measurement.

Describe the characteristics of 3-D objects and 2-D shapes, and analyze the relationships among them.

Perform, analyze and create transformations.
